## Jesus Told About a Loving Father

—Based on Luke 15:11-32

Jesus was teaching people about God's love. He told a story about a father and his two sons.

"The younger son told his father he wanted his part of the family money and property. The father gave the son what he asked for. The son took all that was his and moved far away. He began to do many wrong things. He spent all his money. He did not have any food to eat, so he went to work taking care of pigs. The son remembered that his father's workers had food to eat. He decided to go home and work for his father.

"While the son was still far away, the father saw him. The father ran to him and hugged and kissed him. The son said that he had done many wrong things. He said, 'I should no longer be your son.'

"The father did not listen. He called to his helpers to bring the best robe and sandals for his son. He told the helpers to cook a big dinner. The father wanted to celebrate because his son had come home."

Jesus wanted the people to know that God is a loving Father like the father in the story.
